

Journal of Higher Education Outreach & Engagement

Outreach Scholarship Conference special issue

“Innovation and Leadership for Engagement”
The Scholarship of Outreach and Engagement:
What is it and Why does it Matter?

Once again, a special issue of the Journal of Higher Education Outreach and Engagement will be devoted to articles submitted, reviewed, and accepted related to the theme of the annual Outreach Scholarship Conference.

This year's conference, “Innovation and Leadership for Engagement,” will be held October 7-9, 2008, at Penn State University. The Journal welcomes submissions from both scholars and practitioners, and is open to a wide variety of disciplines and methodological approaches. Articles are evaluated on the following points:

- introduction and importance of the topic,
- significance of article in adding new understanding of community-higher education engagement,
- organization of ideas, and
- writing style and readability.

Articles for this special issue should be submitted directly to the conference co-chair, Theodore (Ted) Alter, by December 15, 2008. Submission guidelines are listed at <http://www.uga.edu/ihe/jheoe>.

Please submit the article electronically to conference chairperson:
