TABLE SPONSORSHIP FORM

We are pleased to extend to you the opportunity to sponsor a table again this year. Not only is this a chance for you to support your faculty and graduate students of color, but it is also an event that can facilitate your efforts to recruit undergraduate juniors and seniors of color to your college. We encourage you to take advantage of this professional development opportunity to invite prospective students to the conference to meet faculty and current graduate students. We hope that you will invite as many students as possible to be seated at your sponsored table.

Registrants must attend at least one workshop to attend the luncheon.

The sponsorship of a table includes a sign with the sponsor's name and a listing in the program booklet. Each table seats ten people. The sponsorship per table is \$300.

Every faculty member or student who will be seated at your table must fill out a conference registration form.

If your college or office would prefer to sponsor a table just for students, we can assign students to your table from our waiting list.

A list of who will be seated at the table must be sent to Lisa Clapper via e-mail at lrc139@outreach.psu.edu by **Friday, January 29, 2010**, to ensure an accurate count for the conference luncheon.
