

ARCHAEOLOGICAL FIELD SCHOOL APPLICATION

MAY 18–JUNE 26, 2009

The application deadline is **March 20, 2009**, although we will begin reviewing and accepting applicants immediately. Final decisions about enrollment will be made by the instructors. Grades and career goals will be considered. A short interview (in person or by phone) may be requested. References may also be checked. In general, preference will be given to higher-level anthropology majors. The field school, however, is not restricted to advanced undergraduates; freshmen have participated in previous field schools. Registration is not limited to Penn State students; interested students from other institutions are encouraged to apply.
