**NOTE:** \*The Social Security number (SSN) you provide for enrollment purposes, or when requesting specific services, will be used by the University to verify your identity for official record keeping and reporting. If you choose not to supply your SSN, certain services—such as transcripts, enrollment verification, tax reporting, and financial aid—may not be available to you, and Penn State cannot guarantee a complete academic record for you. Your SSN will be stored in a secure central system and only used for official reporting and record keeping. It will not be used as a primary source to identify you within the Penn State system; the PSU ID will be used as the primary identifier.

All graduate students must complete a graduate admissions application ([www.gradsch.psu.edu/enroll/ndaa.html](http://www.gradsch.psu.edu/enroll/ndaa.html)) and be admitted to the Graduate School. Students taking 500-level courses must be graduate students.
