

2011 Happy Volley schedule of Events

Welcome to the 2011 Happy Volley Club Championship and Camp. We hope that you have a great experience over the Memorial Day weekend at Penn State University. The Camp has provided some extra benefits for both coaches and players and hope that you plan on taking part in these great volleyball experiences. Our Friday Night Welcome, Camp and Autograph Session will start at 6:30 PM with a player's clinic outside of Johnston Commons opposite of where you register (See Map). Penn State players will be running short clinics on the outdoor courts. Players and coaches simply need to pick a topic they want to learn and attend the clinic on that particular court. We will be announcing topics on site. Following the clinics, we will have an autograph session with the 2010 Penn State volleyball players. The 2010 NCAA Championship Trophy will be available for photos.

We will also be providing clinics throughout the weekend for both coaches and players to attend. These are fantastic learning opportunities and will cover a variety of topics. The clinics will take place in the White Building. – **See Map 3**

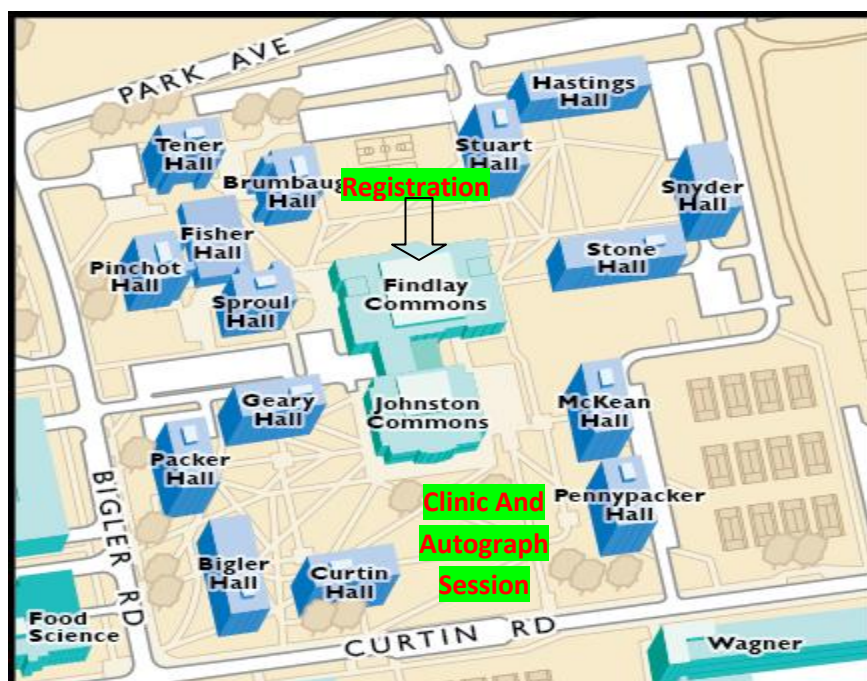

Friday, May 27
